- Goals and Activities (What are your goals and objectives? Are there specific, measurable activities to accomplish the objectives?)
- Key Personnel (Are appropriate people or partners available to carry out proposed activities?)
- Impact of Activities (Will your proposed activities impact the designated community or population?)

- Proposal Quality (Is your proposal legible, organized, and complete?)

Conditions of Award

The 2020-2021 funding cycle is for a period of performance from July 1, 2020 to June 30, 2021.

Ten percent of the total award is withheld until CCRES receives a completed Grant Report form. Grantees must complete the terms of the grant and submit the completed Grant Report no later than January 1, 2022 to be eligible to receive the final ten percent of the award. Failure to submit a completed grant report may result in having to refund the grant award to CCRES. Grantee shall return to CCRES any unexpended funds. Grant recipients who fail to complete the terms of the grant may also be ineligible for future grants.

A grant is to be used only for the purpose(s) outlined in the proposal. Grants are subject to modification only with CCRES' prior approval.
